

Friends & Family

donation letter

Dear Friends and Family,

I will (once again) be walking in the 5th annual **Walk for Lupus Now** on **Sunday, November 14th** on Team _____ (if applicable) to fight lupus and raise funds for the Arizona Chapter of the Lupus Foundation of America.

My personal goal is to raise \$_____ to help/ in honor/ or in memory of _____ (*share who you know touched by lupus, if applicable*). The funds raised in the Walk will ensure the Chapter continues to provide and expand essential programs for many of the 35,000 Arizonans with lupus and support research for better treatments and a cure. 1.5 million Americans have lupus and after an unbelievable 51 years of no new drugs for lupus, today there is hope with more researchers than ever before working to develop new treatments. Will you support my commitment and help me reach my personal fundraising goal?

Lupus has touched me and my family (Share your personal experience and challenges)

Please visit my personal webpage at [click here](#) (add the link to your site) and donate to my efforts and _____ (whom you are walking for, if applicable) and my team _____ (if applicable). Use a credit card on the secured website to receive an emailed tax receipt. You can also send a check payable to the Lupus Foundation of America, Arizona Chapter (LFA, AZ Chapter) to my home address _____ (insert your address).

90% of every dollar donated stays in Arizona and helps support the programs of the Arizona Chapter, the resource to help thousands of patients and families with support and information, physician referrals, public and professional education and grass-roots advocacy on the state and federal level. These programs include free educational seminars, support groups, reaching new communities, and continuing awareness. Enclosed is a lupus fact sheet and to find out more and get involved, visit their website at www.lupusarizona.org.

Thank you so much for your support! I will keep you updated as I reach my goal, and please feel free to forward my request to anyone you feel would support me and/or my team in the Walk for Lupus Now! Together, we can create hope, awareness, advocate for increased support, find a cause and cure, and improve the lives of all those living with lupus!

Most sincerely,
