

~Services Provided by the Arizona Chapter ~

Support Groups

Lupus patients, families and friends meet to discuss challenges, feelings and issues regarding lupus.

Lupus Line

If calls are not answered during the day, a 24 hour answering service with a tape recording is available for you to leave your questions or concerns. Calls usually returned within two business days for information, literature, physician list, education seminars and general lupus support.

Education Seminars/Info. Sessions

Seminars set up twice a year regarding issues involving Lupus i.e. new drug developments, medical issues, new research studies, diagnosis of Lupus, how to cope with a disease, etc.

Health Fairs and Community Gatherings

We send people to community meetings to provide educational materials and literature to patients and their families concerning the disease.

Newsletter

We publish a semi-annual newsletter for chapter members, health care providers and Lupus patients and families regarding chapter activities and health issues.

Lupus information packs

We supply lupus information, literature, support group list, a physician referral list, dates for education symposium and other chapter activities in a packet that is sent to all that contact the chapter office.

Catherine Lamphier Scholarship Fund

The CLSF Scholarship Fund has been established by the Arizona Chapter of the Lupus Foundation of America, Inc. for the purpose of aiding students who have been diagnosed with lupus. Scholarships of up to \$1000.00 may be awarded to Arizona Chapter members once per year.

Patient Assistance/Program Services

The Arizona Chapter offers Patient Assistance as a resource to provide its members aid during financially difficult times. We understand that unanticipated situations arise and therefore offer assistance if you need help with lupus-related medical expenses.
