LUPUS™

FOUNDATION OF AMERICA

Lupus is a Cruel Mystery

Lupus is debilitating, destructive and can be fatal. It ravages different parts of the body, strikes without warning and has no known cause and no known cure. A recently published study also found that lupus is among the leading causes of death in young women.

Why Donate to Lupus?

Your donations benefit Lupus America Communities, a 501(c)(3) tax exempt charity established to support the mission of the Lupus Foundation of America - an organization devoted to solving the cruel mystery of lupus, while giving caring support to those who suffer from its brutal impact.

How Your Donation Helps

Your contribution of clothing, shoes and household goods are sold by Lupus America Communities, generating revenue which is used to help fund the mission and programs run by the Lupus Foundation of America.
